Re: Takeda Pharmaceutical Company Limited, et al. v. Zydus Pharmaceuticals (USA) Inc., et al. Case No. 3:10-cv-01723-JAP-TJB

Dear Judge Bongiovanni:

We represent defendants Zydus Pharmaceuticals (USA) Inc. and Cadila Healthcare Limited ("Zydus"), in the above-referenced patent action. On June 19, 2012 Zydus filed a Motion for Reconsideration of Order Denying-in-Part Leave to Amend Preliminary Invalidity and Non-infringement Contentions (Docket No. 195).

Based on Zydus' pending Motion for Reconsideration and the fact that the parties have presently agreed to adjourn the August 13, 2012 trial date to a later date to be scheduled by the Court, Zydus respectfully requests that Your Honor stay the June 21, 2012 deadline for Zydus to serve its Second Amended Non-Infringement Contentions on Takeda until the Court has issued a decision on the pending Motion for Reconsideration. Takeda does not object to such a stay.

We appreciate Your Honor's attention to this matter

Respectfully yours,

s/ Vincent P. Rao, II
